Subject: King County's technical lead for Pillon

---

Jeff

The King County technical lead is the fellow you met the other day – Jim Neely. Jim's email is [james.neely@kingcounty.gov](mailto:james.neely@kingcounty.gov).

I have a call into the Ecology folks to see who they wish designated in similar roles from their side (I assume they will put forward both a toxics cleanup person and a water person). I will get that to you early next week as my contact over there is out of the office today.

Thanks,

Scott A. Marlow
